## Synopsis

Jessica is on the run, but this time she's evading her own mate so that she can secure their happily ever after. Ruthless and biased vampire Alaric put a bounty on Jessica's head. She's the only one who can break his curse or so he thinks. The witch isn't going to wait for him to make his move. She decides to take matters into her own hands and cooks up a plan to find his whereabouts and end his reign of terror. With the help of her friends, they embark on a dangerous mission to find and kill their ruthless enemy. Yet, despite the team's good intentions, their plan can go seriously wrong and lives might be lost in the process. This is book 3 of the Immortal Love Series and the continuation of The Witch and the Vampire King. You'll need to read book 2 first before this one. Book 1 can be read as a standalone. ## Customer Reviews

It's a good read.

I love it

Good series

Book Title: Spellbound (Immortal Love Series Book 3) Book Author: Anna Santos Source:

K.U. Rating: 5 stars For 18+ Jessica had enough. She's on the run and has a plan to take down Allaric, the one that everyone wants to get revenge on. She also wants to do it without her soulmate, whom was really stupid in book two. There is sex, violence, and rape in this one so don't read if you can't handle. Oh, there's a guy on the cover! That's new. I still like the cover. The covers on are so much better than the ones that Goodreads has. Just a side note. We really got inside Allaric's head this time and got to know Beth (you won't guess who her soulmate is). There's a lot going on and really good lines also at times funny- of course not during the violent or rape scenes. I really want to know what Valentina's mate has in store for her and want to know who is Anna's brother's mate is. Hoping book 4 will reveal all that and I hope that everything will be good for Beth. Fingers crossed. I recommend this novel for those who like reading about soulmates, romance, potions, and spells gone wrong.

This book is so much darker and dangerous. An evil being that needs to be taken care of, a crazy vampire that needs help, secret plans and leaving your mate, even though it hurts like hell, in order to secure your happily ever after - surely you paranormal lovers wouldn't want to miss this intriguing and alluring read! Cannot wait to read Shattered because I know that the book will be just as good, if not more, as the other books by the author! I loved how the Witch and the Vampire King's story ended but they are still many unanswered questions that should be addressed in the next book. Full of supernatural creatures, revenge, madness, darkness, surprises and secrets. Perfect for readers of paranormal romances.

You definitely need to have read the second book to really understand what is going on with this book. I was unaware of this and it took me awhile to figure out I was completely missing the back story and had to read book two of this series. But overall I really enjoyed this book and it moves so

quickly that you are not bored or bogged down with too much information. I voluntarily reviewed this book after receiving the arc. I honestly cannot wait to read the next book and see how Ms. Santos is going to continue this series.

This book for me was like an epilogue. If you haven't read the first 2 you'll want to at least read *The Witch* and *The Vampire King* or you'll be horribly lost! *Spellbound* is much more dark & dangerous than the first two books (but hey, dark & dangerous can be a good thing sometimes!). It answers a lot of questions & in my opinion pulls & ties the 3 books together. A lot of the answers deal with Alaric, a crazed & psychopathic vampire who just happens to be family & has a lot of sins to pay for. But as yet has been unable to be found. We deal with Jessica & Marcus (sigh...) being apart, which is heart wrenching, Jessica putting herself in harms way to save innocents & the whole family united together to fight for Jessica, innocents, their family & the downfall of Alaric. *Spellbound* has you sitting on the edge of your seat all the way through! It makes you experience so many emotions in such a short time...goosebumps people! I love this series - I love this big, extended family & I love Anna Santos!!!

There is so much going on in this story that you won't put it down. This said, I had not read the previous book so I was lost for a short time but soon got up to speed. Well written action packed page turner with some turns twists and a surprise I didn't see coming. Great read and author. Now I want to read the whole series. I volunteered to review an ARC of this book and give an honest review. You'll love it.
