# Dirty Promise

## Synopsis

I have a bucket list, but it wasn't written by me. That doesn't matter. I'm still going to do everything on it. Jump from a plane... binge every episode of Friends without stopping... And sleep with the cute guy who runs the tattoo shop on 5th and Main. I don't know him, he doesn't know me. But this dirty promise is going to happen. Lucky for me, Max Savage "what a name for a muscled guy with ink all over his body" is an easy target. The problem is that after sleeping together, I can't scratch his name out the same way I scribbled over "Jump from a plane." Max isn't done with me. He doesn't care that I'm on a personal mission. He just wants to see me again... and again... and again. I want to see him, too. But it's a bad idea because he's distracting me. Can I finish out my plans AND juggle someone so addictive? I was supposed to sleep with him, then move on. Where does falling in love fit into the bucket list? This is a standalone novella with a HEA and NO cheating! Penny Wylder writes just that-- wild romances. Happily Ever Afters are always better when they're a little dirty, so if you're looking for a page turner that will make you feel naughty in all the right places, jump right in and leave your panties at the door!

## Customer Reviews

Loved the premise of this story. It was a very romantic and satisfying book. Sometimes shorter books are very satisfying which this one was. I LOVE, LOVE, LOVE when the author gives us epilogues!!!!There's nothing like reading the story then getting an update to finish off the storyline and make me smile with contentment at the future way that things turned out for the couple!!!

Lord where do I begin ..... Dirty promise was a let down I felt no chemistry between the two characters and most of the time I felt like a was reading the rambling in someone diary omg. As short as the story is the author had time to build chemistry and cohesion it was just messy

That was not what I expected and what I got is one of the most beautiful stories I have read in a long time. What more can I say! Read it you will love it.

I was really surprised by this book, it was a quick enjoyable read. I would recommend it, it caught me by surprise.

This was a wonderful story about love, friendship, and fulfilling your bucket list. It was sweet, but still hot as can be!

This is a great read. Its short but it is packed with adventure & passion & heart ache & love.

Sweet. Sad. & full of steamy scenes.

Is it possible for a simple little story to tug at your heartstrings while at the same time creating enough heat to cause a blazing inferno? Absolutely, yes! When it's a Penny Wylder novella! Just when I think I know what to expect BAM (right between the eyes) this author knocks it right outta the park (sorry, no baseball in this little gem)! Max is my new extremely hot, extremely lickable ahem, I meant likeable BBF. Fiona is the best friend we all wish for and the best friend we should all strive to be! The depth of character from 97 pages is simply amazing, I was hooked from page one and just couldn't stop until I finished (Hey you! Yeah, I mean you! Get your mind out of the gutter! I meant the book!). Talk about total book immersion, I don't

think I came up once for air (no pun intended, of course). What a breathtakingly beautiful love story! I laughed, I cried and I sighed (or were those moans?). It was so good I think I'll go read it again! So, if extremely hot, tatted up, tattoo artists with really big tattoo guns (gotcha!) are your thing, download Dirty Promise • you'll be so glad you did! Disclaimer: No Kindles were seriously harmed while reading this novella. Children 18 and over only! Disclaimer for the term seriously harmed is not intended to include: overheating, scorch marks, minor melting or inconsequential fire that can be put out with an extinguisher. Fire retardant gloves highly recommended while reading. Tissues not included. Seriously?... another disclaimer!... I read the ARC version of Dirty Promise but it was so awesome I actually purchased the book because fantastic authors are so difficult to find!!! RATING DETAILS (Based on 1 to 5 Gold Stars): STEAM FACTOR: 5 SCORCHIN HOT STARS WRITING STYLE: 5 PROFESSIONAL, FAST PACED STARS PLOT: 5 BUCKET LIST BEST FRIEND STARS ENGAGING CHARACTERS: 5 HOLY HOTNESS STARS SATISFYING CONCLUSION: 5 DELIGHTFUL STARS EPILOGUE: 5 WILL BRING TEARS TO YOUR EYES STARS
