Customer Reviews

The Passover Soul Kit is such a blessing, full of inspiring thoughts to help make the holiday special.

Read it before you start to prepare for the holiday, and keep it by your side as you get ready - it will surely help lift you and your family into a truly spiritual experience of the holiday. Better yet, print the beautiful calligraphy to hang on your wall (the author provides a link to download them) as constant gentle reminders to experience the joy of the preparations and the true meaning of Passover.

I am not a Jew but am interested in them, I am a Christian who loves to see how they celebrate passover as well as other celebrations it make God's Word even more interesting and personal. I loved the way the posters were done a reminder that whatever we do for G-D should be done with a willing heart, that we are celebrating not mourning the labor to prepare for our Holy times with Him. I called to share this eBook with him and will enjoy reading it all year round as a reminder of praise all year round for His beauty that has been created, Joy for the common and uncommon in our lives, Grace and Mercy, Love. Thank you for sharing with others. may your Passover be as you have shared it can be.

I enjoyed the simple practical tips of how to have the right mind set going through Passover. Even if you don't celebrate passover you will benefit from it. Its got recipes to help out as well. I highly recommend this book.

This guide has come at a time of spiritual drought in my life, and is a reminder that Pesach is indeed a time of overcoming obstacles and limitations. It has brought much needed Simcha!

I especially loved how the author connects spirituality to everything that is being done, and not in the meaning of a routine ritual, but more of a real atmosphere: the cleaning, the clearing, being with the spirit, being calm and in this holy wave of this true holiday. Thank you, Rae!

Beautifully done! Thank you Rae for your inspiring and poignant collection! I will definitely use this year after year B'H

As always Rae's beautiful artwork combined with her helpful tips serves as a great inspiration. A wonderful way to get ready for passover!

From the blurb I expected some actual Hagaddah and useful practical information. Aside from a few recipes and quotes it was pretty much all musings and drawings. While the art is very nice, it is not

what I was wanting at all. I am glad I did not have to pay for it. Also, there are a lot of ads for the artists other works.
