Seduced By 2: Best Friends To Lovers Book 1

Synopsis

Happy to spend the night at home with her live-in lover, Max, Maya is surprised to find out he's made other plans for them. Plans which include inviting his drop-dead gorgeous, tongue tying, panty meltingly hot best friend, Foster over. Max is convinced Maya doesn't like Foster, but thinks he can fix the problem if he can only get the two of them to spend some quality time together. Maya's feelings for Foster are complicated. She feels guilty for harboring an attraction to Foster that borders on obsession, even though she's head over heels in love with Max. And Foster's good looks make her so nervous and flustered that she can barely manage to speak in his presence. No matter - these things tend to work themselves out when two rock hard alpha bad boys get their babygirl sandwiched between them on a tiny couch, in front of a blistering hot porn, while plying her with alcohol.

A Review of Seduced By 2 by Kat Crimson Adding a third? - 5 stars Maya and Max have been together for a while now. When he tells her that his best friend is coming over, she offers to let him have a boy's night because she is nervous around Foster. She can never relax when he is around. Max feels like she doesn't like his best friend and he wants them to all get along together and be able to spend time together. She has impure thoughts about Foster, even though she loves Max so much. Max devises a plan to bring the three of them together for a night of sexy games and loving. What happens after they spend a night of debauchery together and Maya is forced to admit to her feelings? Even though this is a very short story, it packs a punch. **Honest review voluntarily

This is one steamy, sexy, sandwich, dripping with all kinds of naughtiness! This is the first book I've read by Author Kat Crimson, but after reading all that hotness, it sure won't be the last. Max, Kia, and Foster have some explosive sexual chemistry with each other. Talk about having a racing heart.... i didn't think I'd ever get it to slow down after all their naughty play. It was definitely Juicy and recommend you check this book out! Especially if you as big a fan as I am of A sexy as Sin MÃ"nage. Laura Redmon Cutting Muse Blog Review

Dear Penthouse, I never thought it would happen to me! Two hot (and I mean HOT, and well endowed) guys and I started watching an art house soft core porn, then we started getting it on. I was sandwiched between them, there was squirting & simultaneous orgasms - more than I'd ever fantasized about! It all happened so fast, and so hot! Gotta go, I think I hear the guys calling for me again! A quick, saucy read about three very close friends and their evening together. Not my favorite of this genre as the writing style seems like a diary rather than storytelling, and some of the asides stepped away from the action.

Mya Max and Foster are very entertaining to say the least! Have a few drinks, get cozy, watch some dirty movies, and you may have the best night of your life like these 3 did! Mya and Max are live in Lovers, and Max decides to invite Foster over. Mya gets so flustered to say the least! I got flustered just reading! Was a very spicy read! Definitely recommended for menage Lovers! It'll keep you hot on cold nights indeed!

I really enjoyed this fast paced short read. It has all the elements of a mÃ©nage and is tastefully written. It is a very descriptive experience between Maya her boyfriend Max and his best friend Foster. Although in the description of the title of the books shows MMF there really isn't any sharing between the two males in this story the element is barely in the story compared to other MMF stories or it may be more obvious in the next story after this one. It really doesn't have any type of plot other than the sex which is hottt. I would recommend this to someone who enjoys a lot of descriptive sex scenes and sweet menage's but if you aren't into reading a book full of just sex scenes and nothing else than this is not the book for you. The author did a good job in my own opinion.

I should have been writing my own book but instead I was in the mood to read something hot, short and again...hot. Well I came across this book by Kat which is free and let me tell you, it sure heated up my kindle. Maya loves her boyfriend, Max, but is also attracted to his best friend, Foster. After a couple of drinks, their night turns into an explosion of raw chemistry, intense sex and some of the hottest dirty words from a male character I have ever read. Bravo, Kat! Now I am off to read the next one.

OMG this is my new secret shame! This book is so steamy my face still feels hot...among other things. Max Maya and Foster are amazing together. Reading this, you would never guess it was a novella. Kat Crimson does an unbelievable job of giving a ton of info and making the story complete. I absolutely loved this quick read.

I first read this as a freebie on Smashwords, but I just bought it (for FREE!) for my kindle. I had forgotten how much I loved this author, so now she's on my watchlist. I'm a fan of hot menage shorts, and this one is in my all-time top three for sure!
