Sum And Substance Audio On Community Property

Synopsis

This audio lecture overviews determination of separate and community property, quasi-marital property, and quasi-community property. Explores transmutation; general and special presumptions; commingling, apportionment, and reimbursement; management and control; and liability for debt. Also covers management on dissolution of marriage, disposition on death, and constitutional law principles.

Customer Reviews

This is the worst audio CD in all of my law school career. The lecturer says "uh" CONSTANTLY and she speaks so fast there is no way to take notes or write anything down without re-winding constantly. Clearly not lecturing to teach but review quickly if you can stand almost every phrase being punctuated with the sound "uh". HORRIBLE! Don't buy it! WASTE OF MONEY!!!

Clear and concise presentation of the principles behind the California Family Code. Excellent for class or bar review. As a bonus, Prof. Bird has a pleasant voice and is easy to listen to for the hours this area of the law requires.
