Wanted very small crossword books for travel by plane but ended up not taking because the puzzles turned out to be very easy puzzles not just small in size. I would like to see small medium

difficulty collection books that I could take to do the puzzles and pitch when flying.

I bought these to keep on hand when I need a gift for someone quickly and don't have time to run to the store. Everyone so far has enjoyed them, they are inexpensive, and easy to store for an extra quick something for someone - visit to friend in hospital, someone drops in and you realize too late its a special day for them, etc.

I've written about 5-6 reviews on these puzzles and its getting more difficult to come up with words to describe how much I really like these puzzles Bottom line,I'm a believer, and want more.

I enjoyed the puzzles. However, I was disappointed to find there were only 25 in each book. I had thought I was buying 75 puzzles divided into two books.

I have really liked other Pocket Posh Crosswords because they were enough of a challenge to enjoy in one sitting, but not so easy that they were solved in a few minutes. I expected the same from these. The Petite Pocket Posh puzzles are extremely simple, too simple.

This product arrived on time and was in good condition. The Posh Crossword books are useful because they can be carried in pocket or purse and keep your interest because of the twist they give in the clues. The books and company can be highly recommended !!! Millie

tiny but fun

These are so easy that I'm sending them to my Mom who has dementia. Not kidding. I guess they would be good for teens, or new ESL students, etc.
