Customer Reviews

"The mother of two little boys has managed to put together a list of the sweetest treats you can ever stare at and wonder 'can I eat it when it's that cute'; that--get this--the kids can help with! From Cat in the Hat Cookies to Colorful Yogurt Dots, the book's full of sweet eats."

--SheKnows.com "The best part? They're so easy that you'll have plenty of time to enjoy the last lazy days with your fam." --Metro US "These adorable edible craft projects are a perfect at-home activity for the whole family." --Red Tricycle

Katie Wyllie is the creator and editor-in-chief of the popular parenting, cooking, and craft blog, Made to Be a Momma. She has contributed to Kitchen Daily, The Apron Blog for The Home Depot, and many others as a guest blogger. She lives in Pennsylvania with her husband and two sons.

Cute ideas for kids treats. Very imaginative.

A++++

Nice book.

The author is truly a very creative woman. When you see the treats she makes using cookies, cupcakes, candies, etc. You will marvel as these simple ingredients turn into very extra special snacks. Katie Wyllie supplies the reader with information about the tricks, tools, and techniques you will use to make these treats. There are six categories of treats. For example included in the "under the sea treats" heading are directions/recipes for making cute Oreo crabs, Oreo frogs, Oreo turtles, and even Oreo pirates. The author does an excellent job of supplying the reader with the step by step directions and includes color photographs of the project. As I looked through the book, I envisioned hours of fun with my girls making the treats together. Most are quite easy to make with children. This is a cookbook which may get your imagination ignited. *I received this for review - all opinions are my own*

My kids love helping me in the kitchen, so they were so excited when we got this book. They love flipping through the pages and picking the next dessert to make. All of the recipes are kid friendly which is perfect for my 4 and 6 year old!

This book is packed full of the most *adorable* treats for kids! As I flipped through it with my sons, they said, "Oooh I want to make that one!" on every single page. The photos are beautiful and all of the directions are easy to follow. Looks like we'll be doing a lot of baking in the near future! :)

Such a darling cookbook for kids! I love that each recipe has easy to follow instructions and big, bold photos. My boys want to make every treat in the book. Dessert time just got a lot more fun at our house!

I couldn't be more impressed with this adorable specialty cookbook! I love how she has broken down each creation until it feels like anyone could make them! Can't wait to try them all out with/for my kids!
