## Synopsis

Change the Quality of your Travels to Spain and South America with this Amazing Phrasebook \*\*\*\*  
This Easy to Search, Easy to use Phrasebook Will Help You Communicate with the Locales - +1000  
Common Phrases/Sentence Structures Included \*\*\*\*As an educator for more than 20 years, I'm  
a fan of teaching others. And there is no greater challenge than to learn a language and to use that  
tool when traveling abroad! I created this Spanish Phrasebook as a way to increase your enjoyment  
when traveling to such amazing places as Spain, Argentina, Costa Rica, Mexico and Peru. Imagine  
what the ability to communicate with the locals will do for your travel experience, allowing you to  
connect with new and interesting people, or even live or study in places like Buenos Aires or Madrid!  
In essence, it's a journey to become more open minded about the world, discovering amazing  
new people in the process. In this book, you have the main tools you will need to develop  
pronunciation, phonology and sentence structure. The grammar section is clear, and holds all the  
references you will need when on your travels. From general conversation, to accommodations,  
travel and ordering dinner, this is an invaluable resource to keep in your pocket and assist you in  
common situations you will find yourself in your travels. I invite you to read on and begin a  
fascinating learning experience. Here is a preview of what you will learn | Specific situational  
references to help you out when eating out, traveling, requesting directions, shopping and much  
more! The fundamental vocabulary that will get you off your feet in no time basic slang and other tips  
to interact better with the locals! Common phrases to use when traveling to Spanish speaking  
countries Basic grammar and pronunciation, so you will feel comfortable in your interactions in  
Spanish Other resources to continue learning and improving your mastery of the language Download

## Customer Reviews

Not very well organized. Not sure if this was written by a native Spanish speaker.

Good for regional differences. Other handbooks have more and better phrases and a larger vocabulary, but I don't think any have a better discussion of the regional differences in the Spanish language.
