The Cake Mix Doctor's Icing On The Cake: 30 Fabulous Frostings And Glorious Glazes, Icings, Drizzles, And One Perfect Ganache: A Workman Short

Synopsis

As the Cake Mix Doctor and America's bestselling baking author, Anne Byrn shows home bakers how to turn prepackaged cake mix into cake magnificence. But when it comes to frostings, she insists on making them from scratch. Frosting is more than just a finishing touch; it makes the first stunning impression, adds layers of luscious flavor, and keeps in a cake's moisture for days. And it's so easy anyone can whip up a fantastic icing or glaze in minutes.

In this special bite-sized e-book, Anne Byrne presents thirty delicious frostings that will take your cakes and cupcakes to the next level. Uncooked frostings: Crushed Peppermint Buttercream, Fresh Orange Cream Cheese Frosting, Peanut Butter Frosting, and an elegant Coffee Buttercream. Cooked frostings: silky Chocolate Ganache, Frosty Lemon Glaze, Penuche Icing, and Anne's Perfect Chocolate Frosting. Includes a Frosting 101 primer and sidebars throughout with tips, tricks, and advice. Whether spread, poured, or drizzled, these icings make the cake. Workman Shorts is a line of subject-specific e-books curated from our library of trusted books and authors.

Customer Reviews

Overall, I like the book. If you have little cooking experience, you may find this book very helpful. A lot of extra info on cooking. Most of the recipes are easily altered to suit tastes. I have other books by this author and I have enjoyed reading them. However, this author uses boxed mixes as a base and I prefer to bake from scratch, but my frosting/icing needs a little uplifting.

After learning about the Cake Doctor in a Wilton's cake class, I immediately ordered all the cake books. The frostings are easy to make and don't require a lot of ingredients. I definitely recommend this book for the baker who wants old fashion recipes BUT with less steps and less time consuming.

What more could you ask for? Buy the book, and you will hold the keys to successful frosting in your hands. All types, all flavors - every possible frosting for every reason. You will not be disappointed.

It has some nice ideas!

All of the Cake Doctor cookbooks are amazing. They contain recipes for real people with easy-to-find ingredients. You can count on Anne Byrn to help you make something special.

Perfect compliments to any cake. Adore the hints and tips, these are some pretty awesome sweet recipes.

Great recipes

Wow! You will love this book. Icings are easy and great tasting. Take the time to make them every time you bake.
