## Customer Reviews

Have you ever met a bully? If so what did you do? The author, V Mona has written an important book for children. Red Bird was frightened one day because Rex, the big yellow bully was around. He was mean to others, and Red Bird, Sammy, tried to avoid him. One day, Sammy lost his \$5 bill, and guess who found it and would not give it back, yes, Rex, yellow bird. To soothe himself Sammy bought a nice ice cream, but then Rex stole that. Sammy told Rex that was not a nice thing to do, and that sometime Rex might need others. But Rex did not listen. When you read this book, you will discover what happens next. Adults and their children will find reading this book, to be helpful.

Children can discuss with their adults how to deal with bullies, and give each other suggestions. The illustrations are bright, colorful and vivid. They depict the adventures of Sammy Bird and Rex Bird. This book includes lessons learned, and that is very important for all. Recommended. prisrob

I thought this was well done , cute yet with a very strong moral message to kids ages 0-8, so I would like to recommend this ebook for five stars as well as for those ages 0-8 and or in grades

Super work V! By Angela

V Moua writes wonderful books for young children and this one is no exception. The book is well written, with short and well constructed wording. As with all of V Moua's books, this one had a lesson about treating others well. Bravo!
