Customer Reviews

This small, but comprehensive book covers an almost endless list of Coke collectibles; calendars, clocks, trays, menus, porcelain signs, cardboard posters, commemorative bottles, magazine ads,

vending machines and coolers - just to mention a few. It was designed to be a take-along edition and is the perfect size to carry to flea markets or antique shows to be effectively used as an identification and value guide. --This text refers to an alternate Paperback edition.

B.J. Summers has been a collector all his life. In early childhood he was fascinated with collecting Boy Scout patches and building models. Later as a telephone linesman, collecting telephone insulators and advertising seemed natural. Since 1994 B.J. Summers has been a proven authority on advertising collectibles, gas station memorabilia, and of course, Coca-Cola. And he continues to produce value guides sought after by advanced and beginning collectors alike. --This text refers to an alternate Paperback edition.
