Mama Raised Me, Her Demons Changed Me

Synopsis

Sometimes the demons we fight aren't our own. Although he didn't know it, Kiondre Andrews was in a battle that wasn't caused by the choices that he had made. Incarcerated at the young age of fifteen for taking the life of another, he fought daily with the life that had been chosen for him by his mother. A life that no child should ever face and one that he didn't wish on his worst enemy. Even still there was that mustard seed of faith that he held on to. Because of that faith, he was granted early release back into a society that he wondered if it would accept him knowing the lifestyle he used to live. But when one devastating secret comes out he feels that it's only a matter of time before he returns to the cold cell that had become his home. Tayler Crenshaw, a divorced single mother of a fifteen-year-old daughter has had her share of trials and tests of faith. Losing her unborn child after finding her husband cheating, she consumed herself with work, her daughter, and keeping her mother and uncle from killing one another. She didn't have time for a man nor was she looking for one. Her logic changes drastically when she ends up meeting Kiondre and all of her caution is thrown to the wind. He has her feeling things that her husband never made her feel and she wasn't sure that she wanted him to stop. Has she finally found a true love or will his past hinder them from sharing something meaningful? Secrets so dark, one would begin to question if God was indeed real. How could He allow so much pain to come to the innocent yet the ones causing the pain walk around unbothered? Kiondre and Tayler learn lessons through unimaginable circumstances as they do their best to come to grips with it all. Will the demons of others change them for the worse or were they used just as another tool by the good Lord Himself?

Customer Reviews

Great story, it's just sad to know that a parent hates their child that much.

Funnny, sad, blessed ending!

Wonderful story! First of all the title combined with the book cover had me ready and then it's a Denora Boone book so you know it's already lit by the Spirit. When I tell you she has the reader hooked from the first page to the end please believe you will be laughing, gasping and wanting to jump into your kindle, nook, paperback or cell phone. I loved this story and Urban Christian Fiction is my favorite and when I tell you the author did her thing please believe me. I don't want to give it away, but it deals with love, betrayal, abuse, and faith. Both characters Kiondre (my new book bae and yes I'll fight Tayler for him) and Tayler are dealing with a lot b/c of their past. They suffered from "church hurt" in the worst way, but they overcame it. If you looking for a standalone that will make you laugh, great characters that have you feeling like you're watching a Tyler Perry movie then this is the story for you. Kudos to Denora as well as the AIP team b/c they always bring great Christian reads that are real, relatable and authentic. Stop reading my review and 1-click or KU this great read.

Denora Boone did The damn thing! This book was so good. It was full of humor, love, God and real life situations. Even when there was sadness she was able to bring out humor. This was a story that so many children have to endure yet she was able to put a spin of redemption, forgiveness and unconditional love on it. She took a very serious and tough topic and made it not only relatable but entertaining. Kudos Ms. Boone for another epic read. This one is definitely DC approved! This is a must read. Happy Reading, The Official Dcbookreviewer

LORD, have mercy!!!!!! Denora Boone if I didn't laugh I'd be crying, my heiny off reading this

book. Samson had me laughing so hard, my stomach hurt and with me just getting over stomach surgery. I also got a major kick out of Agnes, Gertrude and Uncle Cliff. Oops, OG Cliff Daddy. What a mess.. Had me howling over here. I wanted to beat the stew out of Kiondre's mother, Sheba and Jayson. How sick can you get. OMG. Glad they ALL got what they deserved, including Corey. I loved the way it ended with Kiondre United with Cadence and marrying Tayler and adopting Justice as his own and with a son on the way to round things out. Thanks for such an excellent read

This book was about how sexual abuse affects boys and girls. The characters were funny, but had a serious tone. It was God's grace and mercy that put them together again and broke the chains and bondages off of them

Although the stories of Kiondre, Candence, and Taylor were heartbreaking, this book had some hilarious statements. I was hoping for more, by far one of the best standalone's that you'll ever read.

I love how the book incorporates drama and comedy to show that God is in control. Truly the message is conveyed that all things, even the bad stuff, work together for good. Reconciliation, restoration and rejoice are all themes in this book. I love it and this author does a great job of pulling it all together. I am a new fan of this author. Can't wait to read more.
