## Customer Reviews

Robert M. Addington is a native of Scott County, Virginia, where he was a teacher for many years.

I happened on this book at the Estillville Bed and Breakfast in Gate City Virginia (great place to stay if you are in that part of Virginia). My Mother's family has lived for over 200 years in and around this beautiful piece of God's green earth and I was quite excited when I discovered this older copy of the book. Mr. Addington has a wonderful writing style that puts the reader into the action of various accounts of Indian Raids and exploits of the early settlers of that area. I was very interested in reading the accounts of various persons whose stories had been shared by my great-grandfathers S.V. Culbertson and Steve Burgess. I was unable to finish looking through the book at the B&B and look forward to receiving my copy. I will update this review once I have finished reading the book I purchased.

An essential tool for genealogists researching the area. Invaluable when used in conjunction with historical documents. Without supporting research, the information here should be considered helpful, but not definitive fact. One source is rarely all one needs for accuracy in genealogical research. Keeping that in mind, I truly enjoyed this book.

Helpful in my genealogical research.

I really enjoyed this book it is a great way to learn about the heritage that my grandparent lived in and some history of the area
