ConnectPlus Math 52 Week Access Card For Calculus: Early Transcendental Functions

Synopsis

McGraw-Hill conducted in-depth research to create a new and improved learning experience that meets the needs of today's students and instructors. The result is a reinvented learning experience rich in information, visually engaging, and easily accessible to both instructors and students. McGraw-Hill's Connect is a Web-based assignment and assessment platform that helps students connect to their coursework and prepares them to succeed in and beyond the course. Connect Mathematics enables math instructors to create and share courses and assignments with colleagues and adjuncts with only a few clicks of the mouse. Instructors: To access online homework or the instructor resources, request registration information from your McGraw-Hill sales representative.
