Runes And Lore

Synopsis

Learn the runes and the universal energies associated with each one. Runes can be used for magic and divination. This book contains pictures of all 24 runes of the Elder Futhark with detailed spiritual and magical descriptions and uses of each rune. It also explains some Norse Lore associated with the runes as well as how to make your own set of runes for spiritual magic and divination. It is written from a shaman's perspective.

Customer Reviews

Straight forward, simple explanation of the runes. Best beginners book out there.

Easy read and very helpful to know runes

Not as interesting as I thought it would be. But still a good read, I'm not really into books like this, but it was free.
