## Synopsis

Bound for California, candy-maker Dottie Hart can't turn her back on a teenage girl hitchhiking her way to Mule Hollow, Texas. Fearful for the girl, Dottie changes directions and heads toward the tiny town that's advertising for wives for its lonesome cowboys. Sheriff Brady Cannon has enough trouble on his hands with the chaos the matchmaking ladies in town have caused with their off the wall scheme to save the tiny town. ## Customer Reviews

Debra can write about Cowboys. U gotta love a cowboy. Her books are sweet. They r about trusting in God to do what is right for u. These r stories about God fearing Cowboys looking for love. I highly recommend everyone to read her books.

Loved everything about this book. I tried finding some little flaw but there just weren't any. Even knowing who is going to end up together doesn't ruin one word of the story. Again, loved this book and the series.

I am getting sucked further into this series. I think that the one I'm reading at that time is my favorite. Then I read the next one. It's now my favorite. The best series I've read this year.

I got the 1st book free and fell in love with the town and all of its residents. Plus couldn't wait to see the next new guest to fall in love and stay. Good clean reading, funny, sad, and God loving people. After book two I just bought the whole series and loving them.

Loved this! Realistic story with excellent Christian overtones!

The best author hands down....will continue to read her books...highly recommended.

A very good read for all romance readers

I received a free copy of this book in consideration of a review. This story makes you want to move to Mule Hollow, Texas. The town has a Brides wanted campaign going and they are getting all kinds of responses. Debra has developed some great characters. But the town has embraced this campaign and is welcoming the changes and the newcomers. But there is much to do and these matchmakers also have strong faith in God and they are looking for ways to employ the women who are coming looking for a husband. And then Dottie Hart drives into town in her run down RV.

She's planning on just passing thru but apparently God had other plans. Sheriff Brady comes to her rescue when the RV engine burst into flames But there were other sparks besides on the engine.
