A good variety of Christmas music selections. These are easy to play and can be played by mose

flute players, even beginners

11 yr old child loves it. She's at the end of her diary yr of flute and she can play a lot of the songs here. And it really is a BIG book - tons of songs for the \$.

Advantages of big note music books is that I could practice without glasses. Playing level is easy for me (I've played the flute on and off for 30+ years) that I could basically sight read it if I to. Was a big hit at my Scout Troop's adult holiday party when I played a set.

Shipping was fine. First year flute player loves it.

This is a great book for beginner/intermediate flutists. I picked it up to play some of my favorite classics, and was very impressed by the selection. They have everything from cute radio jingles to typical "church" songs. There is definitely something for everyone, although an experienced flutist looking for a challenge will probably be disappointed. Lots of fun, would definitely recommend!

My daughter got this for Christmas. She is only 13 and has been playing out of the book a lot. She even used it in the car with pretending to play to practice on the songs. A lot of the newer songs and the old traditional. Was a hit!!

I love the big book of Christmas songs for flute! Really gets me into the holiday mood!! Would HIGHLY recommend it!

Exactly what I needed when I needed it. I needed simple Christmas songs for a Christmas play. The wide variety of songs are all very simple to play. The book arrived in plenty of time for the practices before the play. Thank you so much.
