Customer Reviews

These calendars are practical and delightful - there's a lot of color and something fun on every page. They fit perfectly into a purse. Friends who have seen my Gooseberry patch purse calendar have commented upon how nice it is, and for one friend, I buy her one as a Christmas gift every year now!

I love these pocket calendars. They are just the right size to carry out. Not too small, I can write several appointments in the date box. But not so big that you can't carry it around. The drawings are adorable and are just nice to see when I open the book. I know there are lots of date books around, but I really love this one.

Perfect gift for myself. Nice size blocks to wright in Not to big in size so it fits in my purse. Always love Gooseberry graphics! There's a 'note' section on every month to jot things down. Recommend.

I love this calendar! Great for my purse and foodie theme which is perfect for me!!

I love these calendars. Always give one to my friend for birthday.
