## Customer Reviews

Good coverage of North and South...

Tie Me Kangaroo Down Sport! Tie Me Kangaroo Down Mate!! This book is awesome, made me feel like I was already there! And I bought a 12pk of Foster's Beer right away after I was done cuz it made me thirsty. Put another shrimp on the barby mate :D

It had such amazing information and insight! It was extremely helpful in planning our trip.

I am 50 years old and have planned dozens of vacations to a wide variety of destinations in North America, Central America and Europe. I have used printed guide books for all of my trips and this guide to Australia is easily the worst guide book I have ever come across. It does not do a good job with any category: attractions, places to sleep or places to eat. Nothing is described in enough detail

so that you can decide if you want to visit it. It is as if the entire purpose of this book is to provide you with search terms to Google.
