A Christmas Prayer

Synopsis

Double Tap to Zoom. Snuggle in this holiday season and offer up *A Christmas Prayer*. In the tradition of *A Night Night Prayer*, this precious little child wanders through the house on a snowy Christmas night offering a prayer of thanks and blessing. The child finishes with thanks to God for the greatest Gift of all. Noting all the characters in the Nativity, this lovable little nighttime prayer book has interactive dialogue and soothing rhyme for a child to repeat as they look around their world at Christmastime. Between the soft Christmas glow of the illustrations and the smooth rhythm of the child's prayer, *A Christmas Prayer* will make every parent and child want to snuggle up by the tree and offer a prayer of thanks to God for His many Christmas blessings.

Customer Reviews

I will be returning this book. The idea of this book was fine... thanking God for all the people and things involved in bringing Jesus to earth so we could have a savior. However, the book just fell flat for me. The artwork was strange and unrefined. The color palate and images were pretty girly

especially given she was laying out dolls etc. Plus i didn't like the repetition of "thank you God for_____, your precious Christmas gift" at the end of every page when you already thanked god for that person or thing at the top of each page. Just not to my liking and will be returning.

This book is adorable and us a good message. My oldest daughter is almost four and we enjoyed reading this together for Christmas time. I did have to remind her who everyone was the first few times but it's a good Christmas story we will add to the collection.

cute book, walks through the Christmas story with rhyme. Great to teach my toddler about the Christmas story!

Great book to give as a baby gift.

One of our favorite Christmas books! Very nicely written and great pictures. I have used this book for church activities for kids from 3 to 5th grade.

I thought this was a cute one. I buy a new Christmas story for each of my kids every year. I thought my 4 year old daughter would like this one. She said it is a "Baby" book and will not let me read it to her. I think it is as cute as can be.

Amy Parker write with the child in mind. Good for family sharing when it is time to go to bed or anyother time

Great book. My son has all of her prayer books and loves having them read to him.
