C. Peter Wagner "This book is so timely to read! Bill Hamon is one who has special spiritual ears to hear what God is saying to His Church today...God has raised him up to help us understand the role of the Apostle today, just as he helped us understand the role of the Prophet a decade ago. You will not find a better navigator for this exhilarating trip into this new stream of the Holy Spirit than Bill Hamon." Oral Roberts "Bill, you are bringing much-needed truths to the Body of Christ." Cindy Jacobs "Apostles, Prophets and the Coming Moves of God is a cutting edge and vanguard word to prepare us for the millennium."

Dr. Hamon is gifted in writing about apostles and prophets. His exegesis of Scriptures in these two

areas is excellent.

I am not a reader per say but this book was so informative I could not stop reading it, but it was on my Kindle that made a difference I learned so much about the call of the Apostle and the Prophet.

I've read this one from cover to cover nearly 3 times but let me just say to transition from your common or traditional religious background. This would truly be a must read for real folks.

For years I have used Apostles, Prophets and the Coming Moves of God; for a resource for teaching in international Ministers Conferences. I have given many paperback copies to many ministers and teachers for use in Bible Schools. When I returned home, often I would find I didn't have a copy for myself. Now with the Kindle edition, Hamon's Book is always handy.

I rated this book very high because it is one of the best self help books that is written and available on the market for this century. This book has helped not only me, but it has been a tremendous help to the members of my church. I would recommend this book to everyone that wants to increase and improve their spiritual health.

This is one of the best books I have read on the five fold ministry gifts. This was a textbook and I had to have another one. I appreciate the fast service.

Easy to read with lots of practical information that proves true in everyday life. The Apostolic and Prophetic Offices are huge and this author made them more understandable

I love this book. Wish I had read it years ago. Would highly recommend this book for anyone interested in what's about to happen in the near future in America.
