## Synopsis

Here's what women are saying about Apples of Gold . . . "The lessons were awesome! God knew I needed to be there. My heart overflows with joy." K.B., Michigan "In your kitchen I learned about seasoning food. In your living room I reacquainted myself with the seasoning work of the Holy Spirit." S.O., Michigan "The program gives value to women who are homemakers and wives. The Bible study and cooking lessons improved my perspective on staying home with children. . . . The program is a good eye-opener and refresher to what is really important: God, husband, children, family, and friends." D.S, Minnesota "So many positive things have happened in my life since, and because of, my Apples of Gold summer. Much confidence was gained that went far beyond the kitchen. . . . This was truly a life changing experience!" L.D., Michigan "God knew I needed Apples of Gold. It is probably inconceivable to you to know how you and the mentors have touched the lives of Apples of Gold moms!" L.C., Michigan "I loved being with older women, finding out how much we have in common, and building relationships with a different generation." J.R., Michigan "Apples of Gold makes you focus on what is really important in your life. We discussed subjects I was not familiar with, like the real meaning of submission and purity. It certainly has changed the way I feel about them." D.H., Minnesota "Apples of Gold takes the warm atmosphere of the home and teaches how to extend it beyond the immediate family." Gail Hover Ledbetter Author, Family Fragrance

## Customer Reviews

Betty Huizenga began the Apples of Gold seminars in her home many years ago, and now other women are duplicating the seminars around the country. After her husband retired, Betty felt the Lord calling her to minister to younger women. Betty and her husband divide their time between Michigan and Florida.

It's very frustrating to me when the writer asks a "yes" or "no" question and you are given three or four lines to write on then later asks an in-depth question and gives you half a line to answer. I found a mistake in the first chapter (but it's been too long and I don't remember specifics now) which then made me question everything after that. I have no patience with shoddy work and this would qualify. I love the idea that this book was built upon and we adapted it to fit our group but was overall disappointed.

My church has done 3 sessions of this program with these books, love it. We modified the content of each subject to fit our group, but this book is a good start/template.

Our group loved this book! It was a great way for us to come together as women of all walks of life (single, engaged, married, and widows!) It allowed us to bond over past experiences and for things to come!

Just what I was looking for to enhance women's ministry.

My church womens ministry did this study last fall and it was just great, the students and leaders as well enjoyed the experience of looking into Gods word, Praying, Fellowshiping, cooking and eating together. We hope to do again possibly this fall.

This book is a wonderful model of hospitality and kindness! We are so excited to start our study with our group of girls!!!! Titus 2 put into action!

It was okay. But not something I can really use with my church groups. For a larger church with younger women it could work fine. We have many elderly women who are someone disabled and unable to do some of what the book suggests.

This material and curriculum is a wonderful addition to any church ministry
