Dr. Bill Hamon has been functioning as a prophet for 58 years and has ministered to tens of thousands of Christians the Holy Spirit's gift of their own spirit language. He and the 3,000 ministers in his Christian International Network have trained more than 250,000 in prophetic ministry. Dr. Hamon is recognized worldwide as a pioneer and father in the restoration of prophets and the activation of saints into their prophetic ministry.

Let's face it. The devil doesn't want God's people to be speaking in tongues. Why? Because the gift of the Holy Spirit or the gift of the spirit language is the greatest gift that the Holy Spirit had given to the individual believer in Christ. The gift of the spirit language is the activator to the nine gifts of the Holy Spirit and is the activator to the nine fruits of the Holy Spirit. Living in a developing country like PNG, I can say that many people still do not fully understand the benefits of speaking in tongues and Dr Hamon has done a great job here. A lot of what is taught here has been applied in my own life and I can honestly say that, they are workable and true. In fact, after reading this book, I have started to enter into a new level of prayer where I would pray in tongues and then the Spirit would take over and I would be groaning in the Spirit and the Spirit would be literally praying through me with words that cannot be uttered. After finishing the book, I have made a decision to be part of the 1 million Christians who pray in tongues for 30 mins per day for the next 30 days. According to Dr Hamon, we will achieve a lot in advancing the kingdom of God globally as believers if we just pray in tongues for 30 mins per day for 30 days. And I'm doing this not because that's what Dr Hamon said, but because I WANT TO. Great book overall!

excellent book informative alive and full of truth of the spirit of God I highly recommend this book I learned so much of the benefits of speaking in tongues as a spirit filled believer this celebrated all the wonderful benefits of having the spirit of God speak in and through you

All who want to enter into everything God has for them in Christ must read this book. Many have a feeling that there is more to this Christian life and want to have the same experiences the early church had but they don't know how. This book on speaking in tongues will open your eyes and understand and will spark your faith to start speaking into your life everything God has for you and to start experiencing what the early church experienced. Speaking in your spirit language is the key to unlocking everything the Holy Spirit has deposited into your spirit. What are you waiting for?

70 Reasons is awesome! I went through my Bible and underlined in blue highlighter each scripture. I bought two extra and my friends are really enjoying them.

is a good book with a lot of information. I would recommend for someone seeking the gift on tongues.

Excellent book for those seeking a deeper understanding of this gift

He says the same thing over and over and uses the same scripture to make his point.

Just started reading such wisdom I already knew a lot about the subject but it gives more clarity for a teaching class
