Stan and Jan Berenstain introduced the first Berenstain Bear books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too. Though Stan died in 2005, and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

This was a gift for a 5 year old. She and her parents loved it!

I like the lesson here; they got mama a birthday present and earned the candy from the store owner. We are adding it to our large collection of Berenstain Bear books. I like that Mama uses some bible quotes, but if you are not religious, this might offend you so be cautioned. We are semi religious,

and I don't think my child will notice the religious aspect. She is interested in saving in a coin jar, so she will enjoy the bears learning about it. Overall, I give it a 5star rating.

The sweetest book about the importance of saving money for something special. Since reading and sharing the story with his class, my son has become more mindful of his spending and wants to save more for that special something.

This book not only taught about how you should save you're money, but it also teaches you about how you don't have to spend you're money on yourself. I loved the part where Sister and Brother used their money to buy a birthday present for their mama. If you want to know what they bought for her, you should buy this book.

It was a blessing! Incorporated Biblical reference. :)

Bernstein Bear books are always a hit and the underlying lessons learned are invaluable.

This is a wonderful and gentle way of teaching children the way of a wrong & right way to do things. Also teaching kids that there are always consequences to our actions.

Berenstein Bears never disapoint. It was given with the darling pink piggy bank to our six year old grand daughter and she loved both items.
