Reviews "immensely enjoyable" - ForeWord Clarion Reviews "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures." - Kirkus Reviews "a fantastic book that has enchanted me" - Customer Review "We are in love with this book! [...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!" - Customer Review "Written in a very simple way but with a profound message for both adults and kids." - Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!" - ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves whatever their size." - ForeWord Clarion Reviews Important Notice This Kindle book is a children's picture book - please use a device with a color display to read it This Kindle book features magnification areas - please use the zoom function of your device to magnify the book's text (usually activated by double-tap or double-click, take a look at the help pages of your device or reading app for details) This Kindle book is designed for large displays, e.g. tablets or computers - please use a device with a large display (free Kindle reading apps and Kindle Cloud Reader are available for every major tablet and computer) Tags: World Children's Book, Bilingual Children's Books, Bilingual Books, Emergent Bilingual, Bilingual Education, Foreign Language Learning, ESL, English as a Second Language, ESL for Children, ESL for Kids, ESL Teaching Materials, EFL, English as a Foreign Language, EFL Books, EFL for Children, ELL, English Language Learner, EAL, English as an Additional Language, Children's Picture Book, Dual Language, Foreign Language Study, ESOL, English for Speakers of Other Languages

Customer Reviews

This book is adorable in every way. The art is gorgeous and imaginative, and oh, so colorful. The story, too, is wonderfully written. For those of us who are very early into learning Japanese, the romanji was a wonderful addition, though when trying to read with the Japanese characters alone, it can be a little distracting. I must read this book several times a day to my daughters, and I love it so much I tend to read it on my own for Japanese practice. Anyone interested in learning Japanese, or reading in Japanese, or bilingual books in general should check out this book.

First read, study, write, memorize, write, study, memorize...I'm working on it. This book makes it simple to learn Japanese, thing is you have to read, study, write, memorize, study, write...If not for those things I'd learn so much from these books, but I have to make time to read, study...you get the idea. These books are very helpful learning basic Japanese. So I spent two hours...need more time.

What better way to introduce the languages of Japanese to English...or English to Japanese?

Illustrations are simply delightful! I have purchased every language printed of these books and my grandchildren are expanding their language base.....and I am delighting in learning with them. What a grand concept!
