A Promise To Believe In (The Brides Of Gallatin County Book #1)

Synopsis

Gwen, Beth, and Lacy Gallatin fashion a life for themselves in the Montana wilds, operating a roadhouse that is located at the crossroads of two major stage lines. When their father is accidentally killed, the oldest sister, Gwen, reasons that she's cursed. After all, death seems to haunt her: her mother, now her father...and she was married for a mere ten days before her husband died from a bout of measles. As Gwen and her sisters struggle to maintain the inn on their own, an unexpected visitor adds to the mayhem. Hank Bishop claims to be searching for something in the possession of Gwen's late husband. But mayhem of another sort builds in Gwen's heart as she finds a growing attraction to this man. Can she dare to hope that love might again be hers?

I loved the story of Gwen and Hank. This first book of the series had lots of drama, love, some humor, and a mystery that I hope will be cleared up in the next two books in the series. This book

did not have a cliffhanger except for the death of Mr. Gallatin. I can't wait to read the next book in the series.

Tracie Peterson books are always well written and engaging. A Promise to Believe In is no exception. The characters are all varied and the reader can find herself/himself pulled into their lives and rooting for the Gallatin sisters from the beginning. The plot has good historical events and great fictional twists and turns. I highly recommend this book.

Gwen Galletin and her sisters run a roadside hostel in Montana in the late 1880's and find their lives challenged by a next door saloon owner's desire to buy them out. Gwen's loss of her first love coupled with the surprise arrival of his brother make for an interesting situation which is handled differently by each of the sisters. Seeing God's purpose in all of the misunderstandings brings Christian growth to the three main characters and a marriage proposal to one!

I thoroughly enjoyed this book. It was a breath of fresh air from what I have been reading. It is a historical romance that I am surprised I liked. Appropriate for young adults.

Very good historical story about 3 sisters. Fiction but still based on basically true facts of what it was like 'back then'.Worth reading.

Three sisters are running a road house next to a saloon in Montana. Their father was just shot and killed when he was walking to the blacksmith to sharpen knives and the drunk and rowdy cowboys at the saloon started shooting their guns to celebrate. Now the sisters are on their own with the hard work of cooking and cleaning up after the stage coach travelers and having to constantly fend off advances of men in a place where there are too few ladies with their beauty and character.

Love, mystery, Christian teachings and faith. These are the things I like about Tracie Peterson's books. Can't wait to read the next one.

Good story and I will read this author again. I would like to have seen more resolution to other threads in the story, for instance Rafe getting his comeupance and "his girls" freed.
