Walter The Farting Dog Goes On A Cruise

Synopsis

Walter the Farting Dog is now a hero of the high seas! Everybody is having a great time on a cruise . . . until a terrible odor permeates the ship. All signs point to Walter, and so he is first banished down below, with the stinky cheeses, and then into a lifeboat to float behind the ocean liner. Then catastrophe strikes! How long will the great cruise ship and its frightened passengers be marooned on the high seas? About as long as it takes Walter to digest that cheese!

These books are HILARIOUS. We came across Walter the Farting Dog books at the library; and my son and I just thought they were so funny. I went out and bought 3 of the books from the series. My son asks for one of them nearly every night during story time.

I purchased this book and 3 other walter the farting dog books to read to my Grandchildren. This is I think the best ever book and with Walter the Farting Dog with it is hilarious. I know it sounds a little rude, but let me tell you it makes reading fun and has a great story line message. If you are sitting

on the edge whether or not to get it just Go For It. If I believe the dog was separate but so worth it!! I now have 3 different Walter books and we love them all. If I had to pick one book or toy for my grandchild this would be it. Enjoy your reading and laughing so hard you gotta pee!

My daughter loves the Walter the Farting Dog books and this one was a hit!

not as good as the original but my son still enjoyed it.

Kids love it.

LOL This was hilarious and it had my kinders totally engaged! They were sad when it was over.

I wondered if another Walter the Farting Dog book could possibly be as good as the first. Well, there were no disappointments here. If possible, this book is even better than the first. It is absolutely hilarious and guaranteed your kids will love it.

GREAT book for a couple of elementary-aged boys to read in the car on the way to the pier for their first cruise! When is farting NOT funny?! The answer is never. Walter is back, stinking out a ship this time. My boys loved this book so much, we ordered other titles in the series.
