# 50 Things To Know About Living With Endometriosis: A Club That No One Wants To Be In

## Synopsis

Other than pain, how else may I be affected by Endometriosis? What could it mean for my personal relationships? What are some simple things I can do to make life with Endometriosis easier? If you answered yes to any of these questions then this book is for you... Most books on Endometriosis are written by Doctors and are about the disease itself. Although there's nothing wrong with that, there's more to living with a Endometriosis than the disease itself. This book's author has been diagnosed with Endometriosis and therefore offers a more personal touch. In these pages you'll discover a more emotional side of living with Endometriosis. This book will help you come to peace with your diagnosis and be validated by your own Endometriosis experience. By the time you finish this book, you will have a more comprehensive understanding of the different aspects of life with Endometriosis. So grab YOUR copy today. You'll be glad you did. For each 50 Things to Know book that is sold (not including free days), 10 cents is given to teaching and learning. Go to [50ThingsToKnow.com/GivingBack](http://50ThingsToKnow.com/GivingBack) to find out more.
