The World's Best Tax Havens: How To Cut Your Taxes To Zero & Safeguard Your Financial Freedom

Synopsis

2013/2014 Edition "A Useful Guide" - Guardian Unlimited "...Detailed analysis of the main offshore jurisdictions..." Shelter Offshore Magazine The first half of the book takes 25 of the world's best tax havens and examines the personal and corporate tax planning opportunities available in each. It also contains valuable information on the residency requirements for each jurisdiction as well as taking a look at what its actually like to live there. We cover all of the key tax havens from the exotic Cayman Islands, British Virgin Islands and Monaco, to less well-known but highly attractive tax havens like Cyprus, Malta and the Isle of Man. The second half of the book looks at how anyone with an interest in international trading or investing can enjoy some of these benefits. We look at the techniques the large multinational companies and super rich use to reduce their taxes and how you, with proper planning, could legally enjoy some of these benefits. What information is contained in the Book? This is the only book of its kind and is written in clear English with plenty of examples and tax planning tips. You'll find out all about: How tax havens can help you pay less of the four 'Big Taxes': income tax, capital gains tax, inheritance tax and corporation tax. The best European tax havens, including one just 80 miles from the UK which has no capital gains tax, inheritance tax or company tax and is opening its arms to UK residents. A Mediterranean tax haven where property is booming, the cost of living is low and there is no capital gains tax or tax on investment income. Two beautiful Mediterranean islands where UK pensions are taxed at just 5% and 15% respectively. Everything you need to know about the Caribbean tax havens: living there, buying property and setting up offshore companies and trusts. Countries covered include: Anguilla, The Bahamas, Barbados, The British Virgin Islands, The Cayman Islands, St Kitts and Nevis, and the Turks and Caicos Islands. How to become a HMWI and enjoy Gibraltar's fantastic lifestyle and low taxes. A prosperous English-speaking country just one hour from the UK with a company tax rate of just 12.5% and no tax on UK investment income or capital gains. The best Eastern European tax havens, from Estonia to Russia. Other important tax haven gems scattered around the globe -- some of these countries have 0% taxes, dirt cheap property and are practically begging you to go and take up what's on offer. How to legally avoid the new European Savings Tax Directive. Everything you need to know about setting up and using offshore companies and trusts. The tremendous benefits of foundations when it comes to protecting your privacy. How to protect your privacy with nominees Recent G20 changes Moving abroad to escape the taxman's clutches How to set up a completely anonymous offshore company using bearer shares. How big companies and the rich use tax havens to lower their taxes and keep their wealth protected from the outside world. And much more... Which tax havens does the book cover? The book looks at: Andorra Anguilla The

Bahamas Barbados Belize Bermuda The British Virgin Islands The Cayman Islands The Cook Islands Costa Rica Cyprus Dubai Eastern Europe Gibraltar Guernsey/Jersey Ireland The Isle of Man Liechtenstein Malta Monaco Panama St Kitts and Nevis Switzerland Turks and Caicos Islands United States Denmark United Kingdom Labuan Floating Tax Havens

"A Useful Guide" - Guardian Unlimited "...Detailed analysis of the main offshore jurisdictions..."

Shelter Offshore Magazine

The author of this book is Lee Hadnum. Lee is an international tax planning specialist and is the author of numerous offshore/international tax planning books including: Tax Planning With Offshore Companies & Trusts The World's Best Tax Havens Offshore Telecommuting - How To Avoid Tax & Live & Work Offshore Non Resident & Offshore Tax Planning Tax Planning For Fiscal Nomads

A very informative read, clearly written by an individual with true world expertise. And most importantly it's current in its passing of knowledge, the world of tax changes very quickly and this is up to the minute. It's critical reading for anyone taking their interest offshore.

its good to have. Very informative and eye opener. You need to do further research to decide. After reading this you you can sit down with an accountant first and than with a lawyer!

Lee Hadnum is an expert in the art of taking extremely complex tax laws and making them easy to understand and use by the layman. Using the World's Best Tax Havens allows you to formulate a plan long before you contact a professional tax advisor. The book has several components. In the first you will learn how using tax havens can help you and also learn some of the warnings that come along with using different havens. The book covers a number of countries but nothing too comprehensive. Although the book is primarily written with a UK audience in mind it can be used in the US and Canada as well as any of the 23 other countries. The language the author uses is easy to understand but since this about taxation there is still plenty of technical terminology. Don't worry these are explained or are easy to look up online. The second component is a tax guide that shows how major corporations and the "rich" use these tax havens. Lee Hadnum talks about the many uses of off-shore trusts, companies and foundations for eliminating or reducing taxes and protecting assets, while maintaining anonymity. Some of the most popular tax avoidance schemes are covered and the best part is that you do not need to be part of a conglomerate to use them. Another notch in the "Understanding Tax God's" belt. This book will help you if you want to learn how to avoid the "big four taxes" (income, corporation, death and capital gains). Everything you wanted to know about avoiding high taxation in one easy to read book. Get a copy today, it will pay for itself in savings.
