Chunky Safari Lion (Chunky Safari Books)

Synopsis

All books in Barron's Chunky Safari series stand right up on their feet and do double duty as story books and toys. When closed, they're shaped like wild animals, and have amusing faces and button eyes that roll and wiggle. When kids open the extra-thick board pages of these books they find an entertaining little animal story in easy to understand words, with full-color illustrations on every page. Preschool kids will love these books. When they've finished this story, they can close the covers and use the lion to create stories of their own.

Customer Reviews

This book is really cute! I bought it as a gift for a 1 year old and I think he'll love it. I noticed other reviewers mentioned that the binding was a bit fragile, but when I received it I was pleased to find that the binding is a strip of cloth. I'm not sure if they've fixed the poor binding issue or if the issue is that the cloth rips off the book, but I assume that if it tears off it might be able to be glued back on. Hopefully we won't need to find that out. I like the repetition of the story line - I think it's perfect for toddlers - 3 year olds. The book is sturdy too, with sufficiently heavy pages. The lion is cute too. Great little book!

very cute but needs to be stated that the googly eyes are unsuitable for 3yrs and under ON THE PAGE. The fine print is too late when you purchase it for younger child.

It is a really cute book. It is a thin binding that holds those pages together and I wonder if it will last over the long haul.

The book is very cute. However, the binding breaks rather easily. That is very disappointing as the little ones love the book.

I have bought all these books..all the animals ones and my kids love them! But they dont last long before they fall apart...

Really cute. Used as decoration and then gave to mom at a safari themed baby shower.

It only lasted a few days, it tore about the 2nd time the little ones held it. I am really sorry I bought it.

Lion's head came apart from the body of the lion.
