Bluegrass - Mandolin Play-Along Vol. 1 Book & Online Audio (Hal Leonard Mandolin Play-Along)

Synopsis

(Mandolin Play-Along). The Mandolin Play-Along Series will help you play your favorite songs quickly and easily. Just follow the written music, listen to the recordings to hear how the mandolin should sound, and then play along using the separate backing tracks. Standard notation and tablature are both included in the book. The audio is accessed online, for download or streaming, using the unique code inside each book and includes PLAYBACK+, a multi-functional audio player that allows you to slow down audio without changing pitch, set loop points, change keys, and pan left or right. Songs include: Angeline the Baker * Billy in the Low Ground * Blackberry Blossom * Fisher's Hornpipe * Old Joe Clark * Salt Creek * Soldier's Joy * Whiskey Before Breakfast.

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

My first reaction at this was, oh, another list of standard fiddle tunes with simple CD tracks to learn from. But this modest collection of tunes was actually really fun to play along with. It's not just the

simple tune and then a backing track. It's the tune, with interesting accompaniment, sometimes with a cool different slow beautiful intro, then several times played through a little differently each time, then the same thing in a separate track with just the accompanying instruments. Sort of like a jam with a roomful of really good musicians. Not much explanation in the book. Standard musical notation and tablature. Tablature appears to include all of the variances they play on the CD. Print is a bit small but 4-5 pages apiece on several of the tunes (32 pages total) tells you they're showing you how to do all the variances they play on the CD. Each tune has a Demo track and then a play-along track. I played along with both. The demo track gave me ideas for different takes on the tune, then the play-along track left out the mando part for me to solo. The "changing the tempo" feature means that a "lite" copy of "The Amazing Slow Downer" is included on the CD. I have only tried the Mac version, but I've used a trial version of "The Amazing Slow Downer" in the past, I'm familiar with it, and it does a great job of changing the tempo and the key, if you're interested. The trial version available from the website will only play the first two tracks on a CD. The Lite version that comes with this Mandolin play-along CD will play (and slow down) all the tracks on *this* CD, but doesn't seem to want to play anything else. That's fair. Note that you can only slow down the play-along on your computer, not on your CD player. 1. Angeline the Baker 2. Billy in the Low Ground 3. Blackberry Blossom 4. Fisher's Hornpipe 5. Old Joe Clark 6. Salt Creek 7. Soldier's Joy 8. Whiskey Before Breakfast I would call this good practice for an intermediate mandolin player who wants to fine-tune the playing of these classic fiddle tunes. Not a huge list of tunes but for the modest price, and the interesting playable arrangements, it's a welcome addition to the practice regimen. If you haven't already discovered the wonders of The Amazing Slow Downer you will do so with this CD.

Great

good starter book
