## Customer Reviews

Angelo Tropea is an expert at preparing candidates for civil service examinations, and national exams such as the New Citizenship Test. By means of books, software, film and personal presentations, he succeeds in turning what is difficult into something easy and fun to learn. This applies especially to the Citizenship Exam.

I found it very informative and it will probably help very much with the Citizens test. I haven't taken that yet so can't be certain but the Instructor of a class that I am taking is pleased with the book.

Great learning tool.....

Excellent Book! Informative and Easy to Use. Love the Flash Cards!

I bought this book mainly for the cut-out flash cards, to prep for my exam - worked out great! Instead of printing 100 index cards on my printer, I used this book + cards - no hustle, great help. Highly recommend!

My wife passed the test and this product played a major part! Even her customers helped her by running threw the flash cards with her.

Love the book, I know it will help with our studies. The only thing that I wish was that the FLASH CARDS were on cardboard paper.

My daughter bought this for one of her friend and she appreciates very much.

Good! I love it.
