Old Boy, Vol. 7

Synopsis

Imprisoned without explanation for a decade, Goto is a free man at last, but what price freedom? Now, his mysterious jailer, a former schoolmate with a lifelong grudge, has Goto embroiled in a malicious game to discover the reasons behind the schoolyard vendetta and why his tormentor would go to such extreme lengths to exact his retribution. It's not bad enough when Goto discovers that his memories have been impeded by hypnotic conditioning, but when he learns that his lover, too, is a victim of hypnotic manipulation, Goto begins to suspect that she may be an unwitting pawn in his enemy's venomous endgame!

Book Information

Paperback: 216 pages

Customer Reviews

Old Boy, Volume 7 starts out with Goto on the beach, trying to remember what caused the rift between him and Kakinuma, what was so bad for Goto to do that Kakinuma spent ¥300,000,000 to lock Goto up for 10 years, and what was so bad that Kakinuma continues to torment Goto with the "game." Officially, the game is over, and they're in the sudden death round, but one of the people playing in the game has offered to switch to the other side, but can this person be trusted? And who can Goto trust to begin with? I didn't love Volume 6, giving it ***3/4, but Volume 7 is a lot better. The pacing has picked up, and even though I've read a couple of tankōbon volumes today, I'm tempted to read Volume 8 and see how the story ends. I thought the scenery portion of the artwork, although not a dominating part of the story, was better in this volume as well. Not only were there the trademark views of Tokyo, but also of a beach and of a farm. ****3/4

For those fanboys interested in more backstory behind the movie, check out these series of graphic novels to get a more nuanced, detailed-oriented look at what Park Chan Wook and all, had to work with and see if you agree with whole genius behind this masterpiece thriller!

he loves it
