The Ultimate Marshmallow Cookbook: 30 Diverse Gourmet Marshmallow Recipes For Marshmallow Lovers Of All Ages. Find Indulgent Sweet & Goopy Recipes For All Year Round

Synopsis

Marshmallows are yummy, sugary little things, but not so diverse, right? Wrong! There are an incredible amount of sweet treats that are much improved by the addition of a fresh meringue or a sprinkling of mini marshmallows. With some more adult recipes and, of course, plenty for kids, you'll probably find marshmallows even if your dreams. We've combined 30 of the yummiest, quirkiest and most diverse marshmallow recipes in this exciting new cookbook. High in sugar, we would not recommend making marshmallows a huge part of your diet, but they really are the perfect accompaniment when the need for something sweet takes hold. From sweet and gooey s'mores turnovers to the decadent and technical crossover between the age-old lemon meringue and the classic Victoria sponge, there will be a gourmet recipe in *The Ultimate Marshmallow Cookbook* to tickle anyone's tastebuds. ==> BUY THIS BOOK TODAY AND GET BONUS COOKBOOK INSIDE!!

Customer Reviews

If you are a marshmallow freak stuck in a rut but ready for some exciting ways to get yourself some more sweet fun in your life, then this book is for you. There are some mistakes in writing, but I tried

all the recipes , All are awesome. Taste is really good. I recommend this book to others.

This book is loaded with typographical errors and seems incredibly amateurish. You can pretty much find a mistake on every page. I didn't try any of the recipes because I didn't trust them.
