## Customer Reviews

Kim Gosselin was born and raised in Michigan where she attended Central Michigan University. She began her professional writing career shortly after her two young sons were both diagnosed with chronic illnesses. Kim is extremely committed to bringing the young reader quality children's health education while raising important funds for medical research. Kim now resides, writes, and gives consultations. Kim is the recipient of the 1998 National American Lung Association Presidential Award. She is an avid supporter of the American Lung Association, the American Cancer Society, the Epilepsy Foundation of American, and a member of the American Diabetes Association, the Juvenile Diabetes Foundation International, the Society of Children's Book Writers and Illustrators, the Small Publishers Association of North America, the Publishers Marketing Association, and the Author's Guild. --This text refers to an alternate Paperback edition.

My son has asthma and reading this story helped him with worries about asthma at school.

I work quite often with children who have recently been diagnosed with Asthma so this book was helpful in session!

Took it to my son's 1st grade class and had the teacher read it. They all actually enjoyed hearing

about Asthma.
