# Color Christmas Coloring Book: Perfectly Portable Pages (On-The-Go Coloring Book)

## Synopsis

Even Santa likes to color with this perfectly-sized stocking stuffer! Twenty-eight relaxing art activities feature festive holiday themes. Take this portable little coloring book along wherever you go, and you'll always be ready for a festive coloring experience. Each whimsical illustration is perfect for decorating with markers, watercolors, colored pencils, gel pens, or crayons. Small enough to color anywhere, but big enough for creative fun, the Color Christmas Coloring Book is printed on high quality, extra-thick paper that won't bleed through. It's great for use in waiting rooms, during lunch break, at kid's soccer practice, or wherever you can find a few moments of downtime.

## Customer Reviews

Even Santa likes to color with this perfectly-sized stocking stuffer! Take this portable little coloring book along wherever you go, and you'll always be ready for a festive coloring experience. Twenty-eight wild and whimsical holiday illustrations are perfect for decorating with markers, watercolors, colored pencils, gel pens, or crayons. Each page is perforated for easy removal and display. I took my first intercontinental plane ride before I learned to walk, and I've been hooked on travel ever since. From staying with a tribal village family in India to getting married under a tree in Australia, the world offers me such an amazing variety of experiences--cultures to explore, places to see, differences to appreciate. Art is a wonderful way of assimilating and interpreting the world

around us. Happy art making! Thaneeya Praise for Thaneeya McArdle: "Thaneeya McArdle has grown quite a following for her fun coloring books that are just begging to be colored." --

Professional artist Thaneeya McArdle is the author of more than 30 bestselling coloring books from Design Originals. Thaneeya creates colorful art in a variety of styles, ranging from abstraction to photorealism (with a special focus on creating vibrantly detailed art). Her artwork hangs in private collections around the world, and can also be purchased on t-shirts, puzzles, jewelry, coloring books, and more. Thaneeya shares her love of art at her popular art instruction site, [www.Art-is-Fun.com](http://www.Art-is-Fun.com), with fun lessons and detailed information on drawing, painting and mixed media. Her site has received over 32 million page views and counting. In addition to her passion for art, Thaneeya also enjoys travel, photography, reading, and learning new things.

This delightful little purse sized, book is filled with charming, whimsical art styled illustrations all based on beloved Christmas themes with imaginative adornments and designs added to inspire you. The cover picture is included in the book and is representative of most of the other pictures in the book, most of the images are detailed with small to medium details a few left with larger areas for you to color as they are or to create unique works of art by adding more of your own designs and patterns. You will want to use colored pencils, ultra fine markers or gel pens with these images. 1. This little (5 1/4" x 8 1/4") pocket book size or back pack sized coloring book is perfect for carrying with you to when traveling, to work and small enough to keep in your purse for coloring anytime. 2. 28 Illustrations are printed one per page; on medium weight bright white paper the back of each coloring page boasts a quote about Christmas. 3. Each page is perforated for easy removal from the book. 4. 4 full paged colored illustrations are included to inspire you and I am putting these in my review along with other pages to help you decide if this book is just right for you. 5. 4 pages of text are included to kick start your imagination and creativity, these give you ideas for Pattern techniques, and Color Theory. 6. All markers and some gel pens bleed through the pages, just keep a couple pieces of paper in the book to use under the page you are coloring if you use these

This coloring book is smaller book filled with 28 fun and festive Christmas Designs. I have this and Christmas Coloring Book (a full size coloring book) both just released by Thaneeya McArdle. At first glance, one would think that a number of these designs are simply scaled down versions of what is

in the larger format book. While that may be true for a few, there are a good number that are simply similar and have details that range from slightly to very different from the other book. There is a lovely range of designs, including Santas, elves, Christmas trees, stockings, fireplace and mantle and even a nutcracker (one of my favorites and the one I will color first.) The size of this book is perfect for fitting in my purse, backpack, etc. to take along with a set of colored pencils. The book is also a great size to use as a stocking stuffer gift. It, along with an inexpensive set of colored pencils, would be a good Secret Santa gift exchange present. In addition to the designs, the artist has included lessons in patterning, color techniques and media as well as basic color theory at the front of the book, along with some great color examples (some of which I will show in my attached video.) The lessons are generic to the line but the samples are specific to this book. The pages are white and are perforated for easy removal. The designs are printed on one side only with holiday and inspiration quotes on the back side. Many of the quotes are from holidays songs and movies which are really fun to read especially the movie quotes as they bring to mind the whole story. Below the quotes are lines which the colorist can use to journal their own thoughts and feelings. All of my markers and gel pens wick through these pages. If I use either of them, I will put a piece of thicker paper (chipboard, cardstock, etc.) or freezer paper under the page I am working on to keep the following page from getting ink on it.

THIS BOOK FREAKED ME OUT WHEN IT CAME!!!!!! I THOUGHT IT WAS A FULLSIZED COLORING BOOK BUT IT IS A SMALL TRAVEL SIZE. IT HAS SOME GREAT PICTURES TO COLOR AND IT FITS PERFECTLY IN MY COLORING PURSE THAT I TAKE OUT ON TRIPS TO THE DOCTORS OFFICE. SO ALL IN ALL I DECIDED IT WAS DEFINITELY A KEEPER. I THINK IT WILL BE A KEEPER FOR EVERYONE THAT TRIES IT.

Great for making Christmas cards or decorating a bulletin board. Each design is fairly easy to colour, as Thaneeya McArdle's stuff usually is, and there's enough white space around the designs that it would be easy to cut them out of the book and make them into a Christmas card.

My family just loves these coloring books!! Particularly this one because of it's smaller size - it's not overwhelming for my kids (ages 9,7 and 5) and they can finish a coloring page quicker than some of the other larger books of this style. Very cute and fun holiday pictures. Great for girls and boys alike!! Highly recommend.

I purchased this book for it's size. I have been looking for small books for travel or to use in waiting rooms, etc. This is a charming little book and is exactly what I needed. The designs are sweet and can be colored by adults or children. It is a great book to give to someone who will be spending time in a hospitals, etc.

Good enough product, smaller than I realized, due to my fault for not reading measurements.
