Customer Reviews

I like that the tactical considerations are grouped together at the end of chapter.

Awesome!

Thanks

Contents covering the book are actually covering the community. There were so many topics and ideas were rising in my mind after seeing the topics at least i am satisfied and happy. Actually i love books collections of my field. But one thing i suggest with your permission that there should be more concession for NFPA members specially from underdeveloped countries. Thanks to for serving the world community.Regards,Abdul Karim NoonInstitute of Fire & Safety TechnologyMultan, Pakistan
