# Horse Diaries #10: Darcy

## Synopsis

Ireland, 1917. Darcy is a light gray Connemara pony with silver dapples. She's fast and tough, whether she's pulling a load of peat from the bog or riding around the rugged countryside with Shannon McKenna, her human family's eldest daughter. But when Mrs. McKenna needs a doctor, Darcy discovers a skill that will change her and her family's life forever. Like *Black Beauty*, this moving novel is told in first person from the horse's point of view and includes an appendix full of photos and facts about Connemara ponies and Irish history.

WHITNEY SANDERSON is the daughter of Horse Diaries illustrator Ruth Sanderson. Her family has owned horses since she was a child, and her bookshelves were always filled with horse stories. When she isn't writing, she volunteers at a horse rescue and therapeutic riding center. She has an Appaloosa named Thor, who loves to go for trail rides in the New England woods. RUTH SANDERSON has illustrated books for children of all ages, including *Summer Pony*, *Winter Pony*, *Hush*, *Little Horsie*. She lives with her family in Ware, Massachusetts, and her favorite hobby is horseback riding.

My tween daughter loves this series. She LOVES horses so a story from a horse perspective is cool. Reading level is good for a forth/fifth grader. It's past her reading level now, but she still likes the story lines.

I buy these for my granddaughter - she loves them and can't wait for the next one!

This was the last of this series for now, granddaughter wanted the complete set, which we have now completed. She is a great horselover and has been since she was 3 yrs. old. She reads and rereads these books many times. Her younger cousin is now beginning to take interest in them as well. This is, in my opinion, a great set for youngsters to read, and has lots of information in each book..

Your daughter will love this whole series if she is into horses. Takes you through different breeds & countries. quick delivery!

This series had me since book one! I can not stand going more than a week without finishing one of these books once I have started it! No thumbs down here!!!

This book is by far the best book in the series. It tells the story of a commarena pony and her hardships and struggles as well as the joy in life. This story is by far the best one by Whitney Sanderson and I would highly encourage anyone with a heart for animals to read this, spirit lifting book.

I think that the book was sad and wonderful at the same time. Darcy sounds like a book which would be perfect for my friend Alex to read!

My granddaughter loves this book. She loves the series because she loves horses.
