All can be enjoyed right away, or conveniently refrigerated to slice and use later. Many can become a topping or spread. Give them a try; your taste buds will thank you.

## Customer Reviews

LET IT MELT OVER SOMETHING YOU LOVE Fresh herbs, aromatics, spices, citrus, and fruit blend together with butter in creative, lip-smacking combinations that will take your meals to a new level.

Meats, poultry, vegetables, and brunch items will all benefit from a silky compound butter. With your raw ingredients prepped and ready, these go together in a flash!

A survivor of New York City's bustling and enigmatic 1990's food scene, Grace L'Ecuyer eventually discovered that the best, and freshest, flavors came out of her own kitchen. Both classic and creative combinations of herbs and aromatics are her trademark. She is the author of three specialty cookbooks: *Life-Changing Compound Butters In 3 Minutes Flat*, *Life-Changing Salad Dressings In 3 Minutes Flat*, and *Life-Changing Potato Salads In 30 Minutes Flat*. She resides on Manhattan's Upper West Side with her two mini-Dachshunds, Emma and Sophia, and never turns down a chance to visit Venice or Rome- two of her favorite places in the world. Grace is proud to be a direct descendant of no less than five of the original pilgrims who arrived on The Mayflower: John Howland, Elizabeth Tilley-Howland, John Tilley, Joan Tilley, and Edward Tilley.

I love this book--- it's filled with creative ideas on how to take butter from yum to YUM! I never realized how a few carefully chosen ingredients added to butter can lift a dish to a whole new level. I mean butter is good as is, but throw in some wine or cheese or even fruit (who knew??!) and it becomes heavenly.

These look excellent. Just what I needed to complete an entree.

I can't wait to start using these recipes. My mouth is watering just turning the pages. I have tried the salad dressings from the companion book and if the butters are as good my taste buds will be smiling.
