Elementary Principles Of Chemical Processes, Binder Ready Version

Synopsis

Elementary Principles of Chemical Processes, 4th Edition prepares students to formulate and solve material and energy balances in chemical process systems and lays the foundation for subsequent courses in chemical engineering. The text provides a realistic, informative, and positive introduction to the practice of chemical engineering.

Book Information

Loose Leaf: 688 pages

Publisher: Wiley; 4 edition (July 27, 2015)

Language: English

ISBN-10: 1118431227

ISBN-13: 978-1118431221

Product Dimensions: 7.7 x 0.8 x 9.9 inches

Shipping Weight: 2.4 pounds (View shipping rates and policies)

Average Customer Review: 3.7 out of 5 stars 13 customer reviews

Best Sellers Rank: #10,531 in Books (See Top 100 in Books) #3 in Books > Textbooks >

> Chemical #124 in Books > Science & Math > Chemistry

Customer Reviews

Some Things Are Just Better New

Needed for school.

Most useful textbook I have ever owned..Well worth the money- I don't even plan on reselling because I know this will be helpful in my future classes.

loved it

Great book! Exactly what I was looking for!

Arrived in excellent condition!

Came on time, quality as to be expected

Uhhhh lol around 200 dollars and I can't even get the holes punched on the appropriate side.

This is the binder version of Elementary Principles of Chemical Processes (4e) by Wiley. It's got all the same information as the textbook, but at a cheaper price (and is only black and white). The paper itself is fine, it doesn't seem like it'll rip or anything. However, the hole punching is backwards - that is, when you put the text in with the holes on the left, the book is read right to left... It doesn't affect the reading, but it is certainly strange. Lastly, the hole punching goes through some of the actual text, which might bother some people. From my brief experience with this text, I can figure out that it's missing a simple word like "the", but I haven't read the book enough to know if it has a much more substantial effect on the reading of this text.
