Customer Reviews

Michael Mullen is the author of more than 30 books, including two histories of Mayo.

Absolutely loved this book. Two years ago I was blessed enough to have the opportunity to visit a friend's family farm in Lewisburg, Co. Mayo. Got to drive many of the routes described in this book. Cannot put it more simply, this author is a master of description, I could have done it no better myself. I recommend it to anyone who loves Ireland.
