SAVANNAH - The Delaplaine 2017 Long Weekend Guide (Long Weekend Guides)

Synopsis

A complete guide for everything you need to experience a great Long Weekend in historic SAVANNAH. (Also nearby Tybee Island.) One of my favorite places because I visited often when I had a girlfriend there in my college days. And since my family originated in Charleston, I've always had a fondness for the Charleston-Savannah rivalry for "Best Historic Southern Town." We had been to Charleston the previous year, and used the Delaplaine guide for that trip, which turned out so nicely, we thought we'd try the one he wrote for Savannah. Just as helpful, and actually a lot more information than you could ever hope to cover in a Long Weekend. --- Morris J., Seattle "We've always been fans of Charleston, but had never been to Savannah before. Attending a business conference in nearby Hilton Head, I decided to get this book, extend my trip by 2 days, and had a truly magical time in Savannah, a place I will definitely return to." --- Fred H., Dayton You'll save a lot of time using this concise guide. =Lodgings (throughout the area) variously priced =Fine & budget restaurants, more than enough listings to give you a sense of the variety to be found. =Principal attractions -- don't waste your precious time on the lesser ones. We've done all the work for you. =A handful of interesting shopping ideas.

Very poor quality publication. Little useful information, not at all up to date or comprehensive. Would not recommend.

A compact guide book - very local in feel. Many good suggestions in several areas both historic and more self indulgent such as unique shopping experiences away from the norm. Fit nicely in my purse!

Great little book to scope out vacation restaurants, or something we haven't done yet, on our next

trip to Savannah/Tybee. Good resource if you want to try a new restaurant and tour with each day and visit.
