Instant Pot Cookbook: 25 The Best Recipes Ever Healthy And Tasty Of Home

Synopsis

The era of slaving in the kitchen for hours to cook food is far behind us. You don't have to spend hours in the kitchen juggling between multiple pots and pans anymore. By now, you have heard about the most advanced cooking appliance – electric pressure cooker, which is also called the Instant Pot. Owning an Instant Pot dramatically reduces your cooking time in half and helps you make healthier meals every time. Instant Pot can function as a sauté pan, steamer, rice cooker, crockpot and pressure cooker. The Instant Pot eliminates the stress and guesswork out of your meal preparation and helps to make a savory, succulent, tasty meal that will leave your entire family satisfied and happy. This complete Instant Pot cookbook offers a gourmet collection of easy and healthy instant Pot recipes with easy step by step instructions and color photos of finished meals. You don't need to be a professional chef to produce fantastic Instant Pot meals because this book is designed for both expert and novice Instant Pot users. The cookbook recipes are versatile and would make great weekday lunches, weekend dinners and memorable, hassle free holiday feasts. What this book offers you

This isn't my first instant pot cookbook but it is up there as a good one. Firstly it takes you through the benefits of using a instant pot and then gets straight into the recipes. Covering all aspects that you will need. I particularly liked the breakfast recipes; Instant Pot Banana French Toast was delicious and I even got my wife to try the Instant Pot Breakfast Porridge which she loved as well. I would recommend as an easy to reference cookbook for the instant pot including recipes like Mexican Beef and Italian Pulled Pork Ragu which we will be having tonight.

If you have instant pot pressure cooker and want to do a good utilize of this cooking tool, then I would like to suggest this cookbook because throughout this read you will able to learn various instant pot recipes. I really found all these recipe so amazing, easy to cook and delicious to eat. I already tried some of these recipes with my mom last night and those meals we made, were so delicious. The author Eila Porter has done a great job and described all these cooking instruction so clearly & step by step. I am pretty sure you will not get any trouble to learn or understand these recipes so I would definitely recommend this cookbook & all these recipes to all interested readers.

There so many recipes that I have been searching and finally found in this cookbook. I was very overwhelmed by this instant pot cookbook. This book is a very good guide, providing you with all that you need to know about this kind of cooking method and alongside tips in buying an instant pot cooker and even some techniques in cleaning the cooker after use. I like the way it was written, organized and on point.

This ebook amazed me with the great amount of instant pot recipes it contains!, you can find recipes for breakfast, meals and supper; picking one recipe is hard because there are a lot! So if you really want to give your family a delicious meal you really need to have this book!

My mom loves this wonderful book! she likes to cook very much, and she decided to buy this book. this book has Quick and easy recipes, she likes to cook healthy meals, it's amazing book!!!!

Nice collection for my Instant Pot. The ingredients of the recipes are easy to find. The recipes are
