Mole Catching: A Practical Guide

Synopsis

If you are a gardener, groundsman, smallholder, or farmer and have a mole problem, then this book will be of enormous help to you. Pest-control books normally only devote a paragraph or two to moles and rarely cover the subject in detail. In one of the most comprehensive books ever written on the topic, professional mole catcher Jeff Nicholls reveals his enormous respect for the mole and emphasizes the absolute need to control them using humane and traditional methods that have been proven to work effectively. First he discusses the natural history of the mole and explains its characteristics and behavior, an understanding of which is essential if successful catching techniques are to be applied. He then discusses in detail the methods he uses in different terrain and weather conditions, considers how to locate mole runs, describes all the different types of traps that can be employed, and explains how to set the traps correctly.

Book Information

Hardcover: 112 pages

Publisher: Crowood Press (October 27, 2008)

Language: English

ISBN-10: 1847970583

ISBN-13: 978-1847970589

Product Dimensions: 6.5 x 0.5 x 9.5 inches

Shipping Weight: 14.9 ounces (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars 2 customer reviews

Best Sellers Rank: #1,800,811 in Books (See Top 100 in Books) #52 in Books > Engineering & Transportation > Engineering > Civil & Environmental > Environmental > Insecticides & Pesticides #1638 in Books > Science & Math > Biological Sciences > Animals > Mammals #2200 in Books > Science & Math > Biological Sciences > Animals > Wildlife

Customer Reviews

Jeff Nicholls has appeared on numerous radio and television programs, has been featured in Country Life magazine, provides mole-catching demonstrations at country shows, and trains the mole catchers of the future.

has helped in trapping. got 37 in small area of yard

Nice book on mole catching.Maybe even a little more detailed for certain aspects would be nicer.But

it,s ok for someone new in mole catching like myself.
