Love these duets.

Quick shipping and good price. Thanks!

These collections of Rubank flute duets, from beginner to advanced, were staples of my childhood. I can't tell you how many hours of fun I had with friends playing these. If you're starting out on an instrument, or your child is, invest in a few duet books. Playing duets is enormous fun, much freer than the practice that also goes into playing an instrument, and it shows you even at a beginning stage how much fun playing a musical instrument can be. These arrangements are varied, harmonic, and both parts are equally challenging and fun to play.

I've had this book for about a year but have only played the first piece which I love. Mainly my friend and I play Selected Duets for Flute Volume 1 because this first piece in Vol 2 is too long to play between classes. I would love to play it as a duet but enjoy it solo too.

This book is, much like the name implies, for the advance player. The duets are usually more than two pages long with repeats and codas. A great investment for any flute player who endeavors to get better.

love it

A great book of nice, challenging duets that I sight-read with my teacher. I'm an intermediate-level student.

I've owned this book for years and recommend it regularly for my students. A must have for any flutists library!
