Alwyn Crawshaw is a wonderful artist and teacher. His book is full of easy to do lessons and I have to say, some of my paintings are looking pretty good. Looking forward to continue studying this book. Buy it if you want to learn quickly and have success. Or, just buy it because the pictures are

great!

This book has been so helpful. As a fairly new "painter" myself this book gave many good ideas for different ways to get great painting results.

Nice art book, thanks

I just did not like the colors, it is all dark browns and greys, nothing bright and pretty at all. I did not find anything I wanted to try to paint. Will donate to the library.

I love this book and the fact that it arrived quickly, in the condition promised.
