Jungle Fantasy: Vixens #1

Synopsis

Jungle Fantasy is back as the Vixens return to the wild side! Experience the exciting return to the world of Jungle Fantasy for the first time in a decade. The Vixens, Kit and Lani, came to this exotic world when their spacecraft crash landed. Wholly unprepared for living life in the wild, they are learning the hard way how to avoid getting eaten by dinosaurs and where they can safely sunbathe! This first issue features an all-new story by Renato Camilo, one by Dan Wickline and Daniel HDR, and a classic Al Rio story in color for the first time! Fans of sexy art, giant dinosaurs, and vicious beasts, this comic book is for you!
