Discipline: The Glad Surrender

Synopsis

In our age of instant gratification and if-it-feels-good-do-it attitudes, self-discipline is hardly a popular notion. Former missionary and beloved author Elisabeth Elliot offers her understanding of discipline and its value for modern people. Now repackaged for the next generation of Christians, *Discipline: The Glad Surrender* shows readers how to - discipline the mind, body, possessions, time, and feelings-overcome anxiety-change poor habits and attitudes-trust God in times of trial and hardship-let Christ have control in all areas of life Elliot masterfully and gently takes readers through Scripture, personal stories, and lovely observations of the world around her in order to help them discover the understanding that our fulfillment as human beings depends on our answer to God's call to obedience.

Customer Reviews

"We have come to imagine that discipleship is somehow an 'extra.' . . . Yet to be a Christian in New Testament terms is to be a disciple. There are no two ways about it." With honesty and grace, beloved author Elisabeth Elliot guides you to a deeper understanding of discipline. It is not merely self-improvement or developing specific routines. Discipline defines the very shape of the believer's life. This book explores areas of discipline that you may not have considered before-the disciplines of: -body-mind-place (honoring others)-time-possession-work-feelings Being a disciple means answering yes to God's call, gladly surrendering yourself to the Master's orders. Discover how to place every aspect of your life under God's authority and find happiness and freedom there. Elisabeth Elliot, one of the outstanding women of present-day Christianity, is the author of more

than twenty books, including *Passion and Purity*, *The Journals of Jim Elliot*, and *These Strange Ashes*.

Elisabeth Elliot (1926-2015) was one of the most perceptive and popular Christian writers of the last century. The author of more than twenty books, including *Passion and Purity*, *The Journals of Jim Elliot*, and *These Strange Ashes*, Elliot offered guidance and encouragement to millions of readers worldwide.

So beautifully written. A great read for any Christian woman who wants to improve the way she lives each day. I often struggle with vices, fears, and just plain emotional exhaustion, so for me this book was very inspiring.

I have found this book to be helpful and encouraging as well. Gave it away once (I am ALWAYS doing that with books I love) and I am thinking about reading it again. Elisabeth Elliot has a good way of communicating and altho I don't take her words as the gospel she inspires and encourages me to take my faith and my walk with the Father seriously.

I learn so much from every Elisabeth Elliot book I read. She was a wonderful servant of the LORD's and we were blessed that she shared the wisdom He gave her.

She is one of my Hero's of The FAITH. This book was an autograph copy too! What a great surprise! I use it weekly to reinforce disciplines I need to remind me of the importance of Discipline. TYSM!

My Bible Study group is using this book for our current study. We are loving the "no nonsense" yet very kind approach of Elisabeth Elliot. Our discussions are in-depth, and we are finding many areas where we need to discipline ourselves in order to become more Christlike.

Beautifully expressed pragmatic and applicable views.

For the Christian woman or man who seeks to grow more in godliness. Elizabeth Elliot never disappoints.

As a fan of Elisabeth Elliot, this book exceeded my expectations. This was actually a second purchase of the book to give to a friend.
