If you have the same old selection that everyone else has, and you will then chance seeing other people wearing the same things as you are. But, this is something you don't want to happen. You want to be yourself, you want to be unique, and you want to be the only one in the world that has this piece. You want to be one of a kind, and you want to be unique, but the only way to do this for certain is to make it yourself. If you make things yourself, you can have whatever you want, the way you want, when you want. Whether you want to use a different color, go with a larger or smaller end result, or throw in your own little flare here or there, you are going to be able to get that when, and only when you are the one making your piece. And that is just what this book is going to show you how to do. In it, I am going to give you the patterns to 150 different pieces.
