In addition she was a soloist and special guest choreographer for the Cincinnati Pops Orchestra. The Gabriella series is becoming a favorite for k-3 graders in dance and movement, as they are now taking tap dance more seriously. They want the shoes and the proper floor! It makes teaching a pleasure, seeing them relate to this little girl!

Another great, fun book featuring the spunky Gabriella. What a fun character for young girls to get to read about. This books shows how with determination and hard work one can achieve one’s goals. Makes me want to run out to Home Depot and start building a tap floor for my kids.
